

Community members and the public are invited to participate in a final online public meeting for the US 14 Corridor Analysis Project.

Thursday, December 3rd at 5:30 p.m.
Live presentation followed by Q & A

Virtual open house attendees will have the opportunity to hear from and talk with the project team, review the selected long-term vision for the corridor, learn about potential implementation plans and next steps as well as share feedback on information presented during the meeting.

Join the meeting

Password: US14

Goals for the project include:

- Improve corridor safety
- Accommodate efficient mobility for east-west travel
- Ensure good accessibility to local communities
- Maintain regional connectivity across both state and local systems
